I would like to support a different charity through my pay.

The charity I would like to support is.....

Please specify how much money you would like the charity to receive each month.

Please note, because payroll giving is tax-free, the amount that is deducted from your pay each month is less than the amount you indicate you would like to donate. For example, if you choose to donate £5 a month the actual cost to you is £3.90 but the charity still receives the full £5. If you work for a company of under 500 employees, your donation is doubled by the Government. To calculate how much your pledge will cost you, please go to www.helptheaged.org.uk; 'support us,' 'through your pay,' and type your pledge into the 'Payroll Giving calculator' on the left of the web page.

I would like the charity to receive*

£12 a month

£10 a month

£5 a month

£3 a month

Other amount (please indicate).....

*Your donation will go to the area of our work you have indicated above.

Sponsor a Grandparent donors: please note, to Sponsor a Grandparent, we need a pledge of £12 a month.
